Adjoining kids bedrooms - imagine settling your youngest into bed while there's a galactic battle going on in the next room.

Media and entertainment rooms - imagine doing some important planning while the big game is on the big screen in the next room.

Home offices and studies - imagine working from home in your new study while your little one is bashing out a tune in the next room.

Acoustic Comfort

Imagine a new home where you and your family can live together in peace and quiet without disturbing each other whether you are working, playing or sleeping.

Selecting SoundScreen acoustic insulation as an upgrade is vital to help reduce airborne noise transferring between rooms of your home, helping to make it a sanctuary for you and your family.
